Dr. Hiral Tipirneni Congratulates Debbie Lesko

PEORIA, AZ – “Sixteen months ago my friends, family, neighbors and I began a journey to challenge the status quo in Arizona’s 8th Congressional District. Two elections, numerous town halls, and tens of thousands of conversations later, we know that communities in the West Valley and Anthem want real solutions to real problems our folks face every day.

Washington is broken, as is evidenced by its willingness to ignore serious issues and hide behind empty political slogans. This must stop, and hopefully it will with change coming to our nation’s capital.

Running to represent our district in Congress has been the honor of a lifetime. I will be forever humbled by the gracious outpouring of support our campaign received, and there simply aren’t enough “thank yous” to go around.

Even though our campaign wasn’t victorious, our communities made their voices heard, demanding that this seat could no longer be taken for granted and that candidates must ask for the honor of representing us.

I congratulate Debbie Lesko on a hard-fought campaign, wish her good luck, and pray that she takes the wisdom and messages gleaned from our campaigns to better represent us in Congress.”

Dr. Hiral Tipirneni (“HERE-uhl tipper-NEH-knee”), an emergency room physician and cancer research advocate, is a candidate for Arizona’s 8th Congressional District. After losing her mother and nephew to cancer, she left emergency medicine to concentrate on cutting-edge cancer research. Now she leads teams of researchers, clinicians, and patient advocates in the fight against breast cancer, prostate cancer and childhood leukemia. At the age of three, Hiral came to America from India with her family in pursuit of the American dream. Hiral and her husband met while in medical school in Ohio. They have lived in the Phoenix area, where their three children were born and raised, for more than 20 years. She is on the board of directors for the Maricopa Health Foundation.
