**Dr. Hiral Tipirneni earns endorsement of Communications Workers of America Arizona State Council for Arizona's 6th Congressional District**

*Communications Workers of America Arizona State Council represents 4000 members in Arizona*

The Arizona State Council of the Communications Workers of America (CWA) announced their endorsement of Dr. Hiral Tipirneni in Arizona's 6th Congressional District today. CWA members work in telecommunications and information technology, the airline industry, news media, broadcast and cable television, education, health care and public service, law enforcement, manufacturing and other fields.

"We are excited to support Hiral's campaign. Hiral has served our community for over 20 years as an emergency room physician and cancer research advocate. She has seen first hand the struggles middle class families are facing and will be a voice for common sense solutions in Washington," said Shad Ercanbrack, Chair of CWA Arizona State Council. "David Schweikert has continuously voted to harm Arizona families. We know Hiral will always put her community first,"

"I'm proud to have the endorsement of CWA Arizona State Council. Hard working families across the valley have been suffering from stagnant wages and rising health care costs. They deserve a leader who will go to Washington and fight every day to make their lives better," said Dr. Hiral Tipirneni. "I've always put my patients first. I will do the same thing in Washington."

Hiral has previously announced the endorsement of the United Food and Commercial Workers Local 99 and International Brotherhood of Teamsters Union Local 104. The three unions represent a total of 35,200 Arizona workers.

**About Hiral**

Dr. Hiral Tipirneni has dedicated her career to improving health care in her community, first as an emergency room physician serving the Phoenix area. After losing her mother and nephew to cancer, Hiral directed her passion and problem-solving skills to evaluating and directing

funding for cutting-edge cancer-research. She now leads teams of researchers, clinicians, and patient advocates in the fight to treat and cure breast cancer, prostate cancer, and childhood leukemia.

Hiral and her family immigrated to this county to pursue the American dream. She and her husband Dr. Kishore Tipirneni, chose to build their life in the Valley, where they have lived for more than two decades and raised their three children.

Hiral is running in Arizona's 6th District, which is currently represented by Congressman David Schweikert, who is [under investigation](#) over allegations that he misspent official funds and received illegal campaign contributions.
