International Brotherhood of Teamsters Local Union 104 Endorse Dr. Hiral Tipirneni for Arizona's 6th Congressional District

Hiral earns endorsement of 8200 member International Brother of Teamsters Union, the second union to endorse her campaign

Today, the Teamsters Local Union 104 announced its endorsement of Dr. Hiral Tipirneni for Arizona's 6th Congressional District. Teamsters Local 104 represents 8,200 workers throughout Arizona, including UPS, American Airlines, grocery, freight, constructions, mining, and local "white paper" agreement workers.

"We are thrilled to endorse Hiral for Congress," said Teamsters Local 104 President Kim Barboro. "Hiral has spent years taking care of our friends and families as an emergency room physician in the community, and I have no doubt that she will be a reliable champion of working families in Congress. For too long, Congressman Schweikert has turned his back on working Arizonans – it's time for a change."

"It's an honor to receive the endorsement of Local 104 and I intend to make its members proud every single day as a champion of working Arizonans," said Dr. Hiral Tipirneni. "I have spent the last 20 years serving the people of the Valley and working to make their lives better, no matter which party they belong to. I look forward to bringing that same common-sense approach Washington, where I will work hard to tackle the rising health care costs and stagnant wages plaguing so many working families."

The Teamsters' endorsement comes on the heels of the UFCW Local 99 putting their [support behind Hiral's campaign](#).

About Hiral

Dr. Hiral Tipirneni has dedicated her career to improving health care in her community, first as an emergency room physician serving the Phoenix area. After losing her mother and nephew to cancer, Hiral directed her passion and problem-solving skills to evaluating and directing funding for cutting-edge cancer-research. She now leads teams of researchers, clinicians, and patient advocates in the fight to treat and cure breast cancer, prostate cancer, and childhood leukemia.

Hiral and her family immigrated to this county to pursue the American dream. She and her husband Dr. Kishore Tipirneni, chose to build their life in the Valley, where they have lived for more than two decades and raised their three children.

Hiral is running in Arizona's 6th District, which is currently represented by Congressman David Schweikert, who is [under investigation](#) over allegations that he misspent official funds and received illegal campaign contributions.
