About Hiral

Dr. Hiral Tipirneni has dedicated her career to improving health care in her community, first as an emergency room physician serving the Phoenix area. After losing her mother and nephew to cancer, Hiral directed her passion and problem-solving skills to evaluating and directing funding for cutting-edge cancer-research. Hiral and her family immigrated to this county to pursue the American dream. She and her husband Dr. Kishore Tipirneni chose to build their life in the Valley, where they have lived for more than two decades and raised their three children.

Hiral is running in Arizona’s 6th Congressional District, which is currently represented by Congressman David Schweikert, who is [under investigation](#) over allegations that he misspent official funds and received illegal campaign contributions.
