**Dr. Hiral Tipirneni announces record breaking \$665,000 raised**

*Tipirneni's three month raise shatters previous records in Arizona's current 6th Congressional District*

Dr. Hiral Tipirneni announced her campaign raised a record-breaking \$665,000 in April to June of 2020 bringing her total raised this cycle over \$2.4 million. This is the most a congressional candidate raised in one quarter in the history of the 6th Congressional District. She enters July with over \$1.65 million on hand.

**"Our campaign continues to be overwhelmed by the grassroots momentum we've received. Thousands of donors across Arizona have chipped in what they can to support strong leadership for Arizona's 6th Congressional District. Throughout this campaign, we have maintained our pledge to reject all contributions from corporate PACs,"** said Dr. Hiral Tipirneni. **"Now, more than ever, we need a representative who will work to protect people with pre-existing conditions – including coronavirus – reduce prescription drug costs, and ensure every American has access to quality, affordable healthcare. Arizona families deserve a leader who understands science and will let facts and data- not politics and corporate donors- guide their decisions."**

Dr. Tipirneni does not accept any corporate PAC contributions. Over 90% of her contributions are \$100 or less.
