Dr. Hiral Tipirneni Wins Primary Election in Arizona's 6th Congressional District

Dr. Hiral Tipirneni won the primary in Arizona's 6th Congressional district.

"I am honored to be the nominee in Arizona's 6th Congressional District. For nearly a decade, our district has been represented by a D.C. politician who puts the profits of his special interest corporate donors over positive change that will make life better for working families here in Arizona. Rep. Schweikert has betrayed his oath to serve our community, misused taxpayer resources for his own personal benefit, and lied about it. He's taken hundreds of thousands from the insurance and pharmaceutical industries and put their interests first, voting to eliminate protections for those with pre-existing conditions. It's long past time for new leadership that will put people first," said Dr. Hiral Tipirneni. **"I'm not a career politician, and I'll never take a dime from corporate PACs. As a former ER doctor I have served my community, regardless of party. In Congress, I'm ready to roll up my sleeves and work with Republicans and Democrats to bring real solutions to the problems facing Arizona families like lowering prescription drug costs and making healthcare more affordable."**

Dr. Tipirneni's opponent Rep. Schweikert recently faced the first reprimand by the US House in 8 years for committing [11 ethics violations](#) including misusing taxpayer resources for campaign and personal use and falsifying campaign finance documents.

Dr. Tipirneni enters the primary with over \$1 million cash on hand. As of the last report, Schweikert had only \$203,000 with \$94,000 in debt.
