## **Dr. Hiral Tipirneni Raises a Record \$2.5 Million - the Most in Arizona Congressional History**

*Tipirneni's three-month raise shatters all previous records in the state*

PHOENIX, AZ - Today, Dr. Hiral Tipirneni announced her campaign's record-breaking fundraising total of \$2.5 million raised from July to September. This momentous quarter brings Tipirneni's total raised this cycle to over \$4.9 million. She will enter the final month of the race with over \$1.5 million on hand.

This massive third-quarter raise surpasses any quarterly fundraising total of a Congressional candidate in Arizona history. Moreover, Tipirneni raised more in a single quarter than any candidate to represent Arizona's Sixth Congressional District has ever raised in an entire cycle.

The record-shattering \$2.5 million, in conjunction with a four-point polling lead over the corrupt incumbent, leaves Tipirneni well-positioned to flip the Sixth District in November.

**"These fundraising numbers are a clear indication of this district's eagerness to finally elect a representative who will fight on their behalf,"** said Dr. Hiral Tipirneni.

**"Because we have maintained our pledge to reject all contributions from corporate PACs, these numbers are a direct reflection of the thousands of enthusiastic donors across Arizona who support our campaign. Now more than ever, the residents of this district deserve a representative who will fight for the health and wellbeing of their families, not the profit margins of their corporate backers or the political benefit of their party bosses."**

Dr. Tipirneni does not accept any corporate PAC contributions. Over 90% of her contributions are \$100 or less.
